Are you a writer, blogger, author or aspiring journalist and can commit to quarterly article submissions? Do you need an international platform to get your work out there and build your brand? Let's connect for the win!

It's really simple! Life in the Overflow Magazine releases 4 issues a year and we would love to add your featured column to each issue. Whatever your expertise or passion is that you'd like to share with our readers is totally up to you. As long as it stays within our contributor topics of: lifestyles, beauty, fashion, business & entrepreneurship, entertainment, inspiration & spirituality, and health & wellness.

#### PERKS

If you can commit to providing content 4 times a year, in exchange you will have a platform that gives you a free full page ad to advertise your brand, product, or service in each issue, as well as free quarterly promotion on all Life in the Overflow Magazine platforms. You will also be able to market your brand and/or product at any events or trade-shows during the publication year.

#### CREDENTIALS

Be sure to use your credentials and market yourself as a contributing writer for the publication! We would love to give you recognition (unless you don't want us to), so please tell us what you want to be printed – we don't want to guess! Please limit to about 25 words. Make sure your contact information is included (website or email address). Along with the few lines about yourself, please send us a photograph to use with your submissions.
